# Guía de lectura verano 2022

BIBLIOTECAS

DE CIUDAD REAL

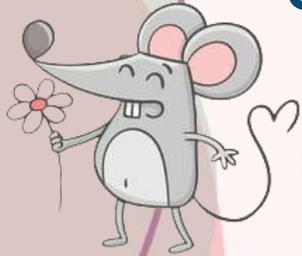

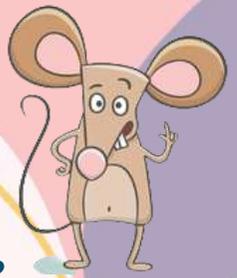

**¡Se nos han llenado las bibliotecas de ratoncitos!**

**Es increíble la cantidad de cuentos protagonizados por estos simpatiquísimos roedores. Conoceremos al Ratoncito Pérez, por supuesto, pero...¿A que no sabéis qué hace el Ratoncito Pérez con todos los dientes que recoge? Y a ratones que quieren irse muy, muy lejos. ¡Quieren subir hasta la Luna!. Además una vez, una ciudad, se vio invadida por una plaga de ratones que se metían por todas partes.**

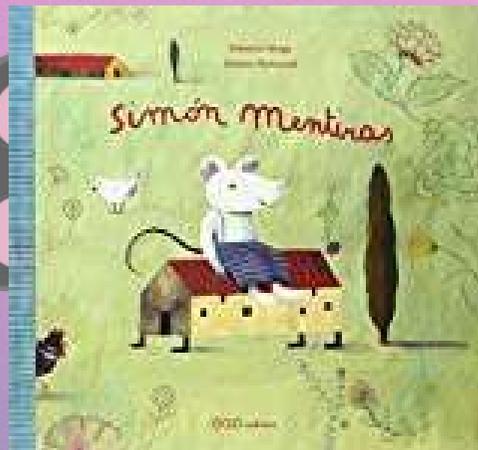

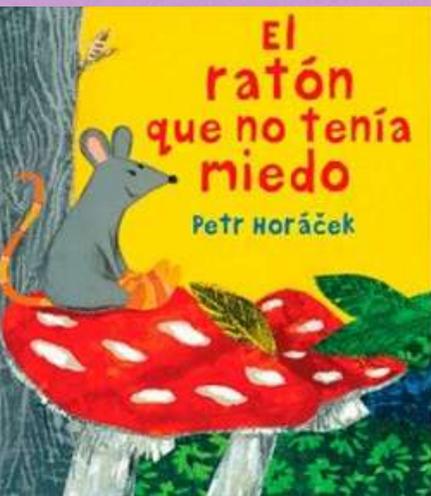

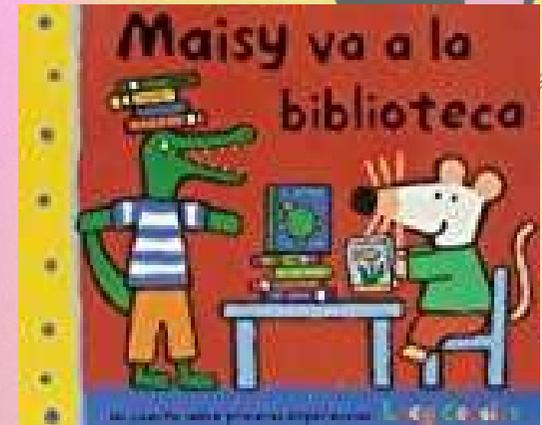

**Y acompañaremos a ratones listos en su paseo por el bosque. Conoceremos a una ratita muy muy presumida con la que querían casarse. Además un ratón mentiroso nos hablará de lobos, zorros, gatos... animales todos que viven en su imaginación.**

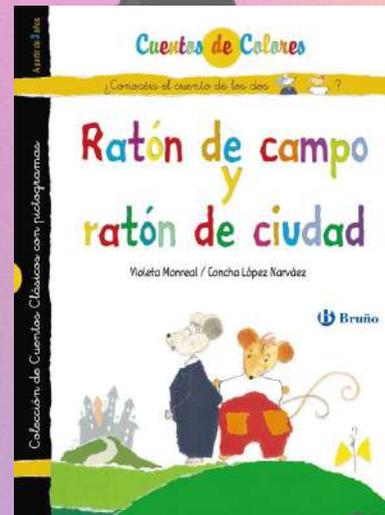

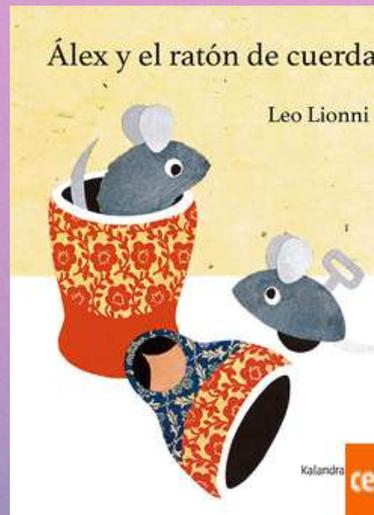

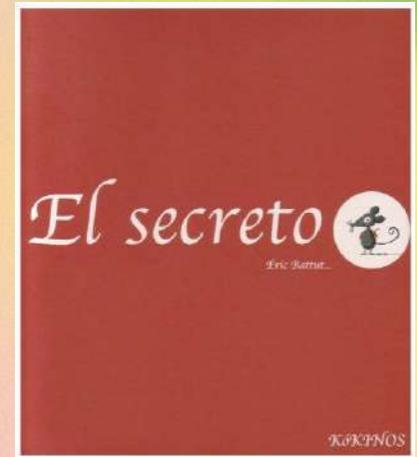

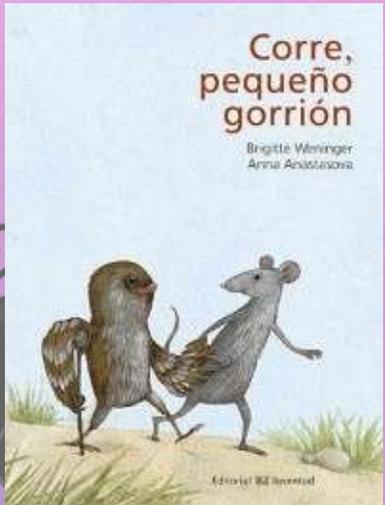

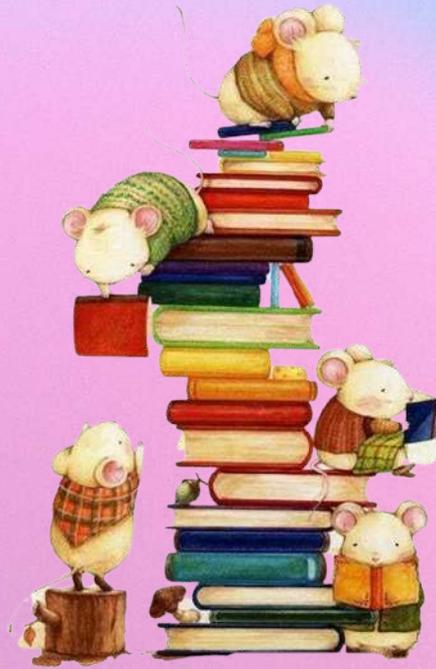

**Y ratones que vuelan, que llevan cartas, que viven en el campo o la ciudad, que no tienen miedo. Todos ellos y muchos más os divertirán este verano y despertarán en vosotros la curiosidad con "DEBAJO DE UN BOTÓN"**
